## PROF. AJAY TANEJA

### Hon'ble Vice Chancellor

It gives me immense pleasure to welcome you to the placement brochure of Khwaja Moinuddin Chishti Language University. As we continue to grow as an institution dedicated to excellence in education, it is our unwavering commitment to not only provide world-class academic programs but also to ensure that our students are well-prepared to meet the dynamic demands of the global workforce.

At KMCLU, we pride ourselves on fostering an environment where learning transcends traditional classroom boundaries, equipping our students with the skills, knowledge, and mindset necessary to excel in their chosen fields. We believe that the integration of academic rigor with practical experience is vital for the holistic development of our students. That is why we have created an ecosystem that encourages innovation, critical thinking, and professional growth.

Our Training and Placement Cell plays a pivotal role in this mission. By partnering with leading companies, organizations, and industry leaders, we offer our students exceptional opportunities to gain exposure to real-world challenges and career paths. The placement cell's efforts, combined with the guidance and mentorship provided by our esteemed faculty, ensure that every student is well-prepared to embark on a successful career journey.

We are committed to creating strong linkages with industries and institutions that share our values of innovation, excellence, and social responsibility. This not only enriches the educational experience of our students but also strengthens the credibility and reputation of the university in the global academic and professional community.

As the Vice Chancellor of KMCLU, I take great pride in the achievements of our students, and I am confident that the future holds limitless possibilities for them. We continue to strive for excellence in every aspect of education, and our placement initiatives are a key component in preparing our students to become leaders and change-makers in their respective fields.

I encourage our students to actively engage with the opportunities provided by the Training and Placement Cell and take the initiative to develop the skills and mindset that will shape their future success.

**PROF. AJAY TANEJA**

# FROM THE DESK OF

## DR. MAHESH KUMAR REGISTRAR

It gives me immense pleasure to present the Placement Brochure of Khwaja Moinuddin Chishti Language University, Lucknow. Established with the vision of academic excellence, inclusive growth, and social responsibility, the University has steadily emerged as a center of quality higher education, skill development, and research-driven learning.

Our University offers a unique blend of traditional knowledge and modern professional education across disciplines such as Engineering, Management, Education, Pharmacy, Law, Languages, and Social Sciences. We focus not only on academic rigor but also on the holistic development of students by nurturing critical thinking, ethical values, communication skills, and practical competence.

At KMC Language University, industry-academia collaboration is a key priority. The curriculum is regularly updated in consultation with experts to meet current industry requirements. Through internships, industrial training, workshops, seminars, and skill-enhancement programs, our students are prepared to face real-world challenges with confidence and professionalism.

The Placement Cell of the University works diligently to facilitate meaningful engagement between students and recruiting organizations. We encourage reputed industries, corporate houses, research organizations, and public sector undertakings to participate in our placement process and explore the diverse talent pool available on campus.

I take this opportunity to invite recruiters to partner with us in shaping the careers of our students and contributing to nation-building. We look forward to a mutually beneficial association and assure you of our full support throughout the recruitment process.

**DR. MAHESH KUMAR**

# FROM THE DESK OF

## **DR. SUMAN KUMAR MISHRA** **Training & Placement Officer**

It is with great pride and excitement that I welcome you to the Training and Placement Cell of Khwaja Moinuddin Chishti Language University. Our mission is to bridge the gap between academia and industry, ensuring that our students not only excel in their respective fields of study but also possess the essential skills and knowledge required to thrive in a competitive professional environment.

At KMC Language University, we understand that the key to a successful career lies not only in academic excellence but also in holistic development. With this in mind, the Training and Placement Cell focuses on providing comprehensive support to students, ranging from skill development workshops, internships, and industry interactions to personalized career guidance. Our dedicated team works relentlessly to ensure that each student is equipped with the right tools, techniques, and exposure to make their transition from the classroom to the professional world as seamless as possible.

Over the years, we have built strong relationships with several reputed national and international organizations, leading to excellent placement opportunities for our graduates. Whether it is through campus recruitment drives, industry visits, or guest lectures, we are committed to preparing our students for the diverse challenges and opportunities that lie ahead.

We encourage our students to take full advantage of the various programs and initiatives offered by the Training and Placement Cell. Our goal is to ensure that every student not only secures a rewarding career but also steps into the future with confidence, competence, and a commitment to excellence.

As we continue to enhance our services and outreach, we remain dedicated to empowering the next generation of leaders, thinkers, and professionals who will contribute significantly to society and the global community.

We look forward to supporting you on your career journey and ensuring that you have all the resources needed to succeed.

**DR.SUMAN KUMAR MISHRA**

# **ABOUT THE UNIVERSITY**

**Khwaja Moinuddin Chishti Language University (KMCLU), located in Lucknow, Uttar Pradesh, is a State University established with the vision of promoting quality higher education with a special emphasis on language studies, multidisciplinary learning, and inclusive growth. The university is named after the revered Sufi saint Khwaja Moinuddin Chishti, symbolizing values of knowledge, harmony, and service to society.**

**KMCLU offers a diverse range of undergraduate, postgraduate, diploma, and doctoral programs across disciplines such as Languages, Humanities, Social Sciences, Education, Commerce, Management, Computer Science, and emerging professional fields. The university is committed to academic excellence, innovation, and research-driven learning, while nurturing ethical values and social responsibility among students.**

**With a modern campus, well-equipped laboratories, digital libraries, and student-centric facilities, KMCLU provides an environment that supports intellectual growth and practical skill development. The university places strong emphasis on communication skills, critical thinking, cultural awareness, and employability, ensuring that students are prepared to meet global academic and industry standards.**

**KMCLU actively encourages industry interaction, internships, research collaborations, and skill development initiatives through its Training and Placement Cell. By integrating academic learning with real-world exposure, the university strives to produce competent professionals, entrepreneurs, educators, and leaders who can contribute meaningfully to society.**

**Guided by its motto of holistic education, Khwaja Moinuddin Chishti Language University continues to evolve as a center of excellence, fostering talent, innovation, and lifelong learning in a rapidly changing world.**

# **CAMPUS FACILITIES**

# CAMPUS FACILITIES

## **Guest House:**

In addition to academic pursuits, Khwaja Moinuddin Chishti Language University actively promotes extracurricular and cultural activities. The university frequently hosts distinguished guests, academicians, professionals, and dignitaries from across the country and abroad who participate in academic, cultural, and professional events. The well-appointed Guest House provides comfortable accommodation and a welcoming environment for visiting scholars and guests, supporting the university's vibrant academic and cultural exchange.

## **E-Library:**

The university provides free access to a wide range of e-content for students, researchers, and faculty members through its subscribed electronic resources. In addition, KMCLU has developed its own dedicated library portal in collaboration with Knimbus, enabling seamless access to digital books, journals, databases, and other academic resources anytime and anywhere.

## **Gymnasium:**

Good health is the foundation of a successful life. Keeping this in view, the university has established a well-equipped Gymnasium and Club to promote the overall physical well-being of students and staff. The facility offers a wide range of fitness, wellness, and recreational amenities under one roof, encouraging a healthy and active lifestyle on campus.

## **Health Centre:**

The University Health Centre is dedicated to addressing the medical needs of students and staff. It provides round-the-clock OPD services and is well-equipped to handle emergency situations, ensuring timely and effective healthcare support within the campus.

# CAMPUS FACILITIES

## **Bank:**

The University campus houses a fully functional ICICI Bank branch, conveniently located to serve the banking needs of students, faculty, and staff. The branch offers a wide range of financial services, ensuring easy and accessible banking within the campus premises.

## **Hostel:**

As the university continues to grow in both facilities and student enrollment, KMCLU offers separate hostels for boys and girls, providing comfortable and secure accommodation within the campus. Each hostel features an in-house mess, ensuring convenient and hygienic dining facilities for students.

**Khwaja Moinuddin Chishti Language University (KMCLU) is committed to providing a modern, inclusive, and student-centric learning environment supported by state-of-the-art infrastructure and comprehensive facilities. The university ensures that students have access to all essential academic, residential, and recreational amenities that contribute to holistic development.**

# **OUR UNIQUENESS**

# HOW WE ARE DIFFERENT ?

## DR. A.P.J ABDUL KALAM ARTIFICIAL INTELLIGENCE LAB

**Dr. Asim Arun, Hon'ble Minister of State (Independent Charge) for the Department of Social Welfare, Scheduled Caste & Tribal Welfare, graced the inauguration of the Dr. A.P.J. Abdul Kalam Artificial Intelligence Lab at Khwaja Moinuddin Chishti Language University in Lucknow.**

**The Dr. A. P. J. Abdul Kalam Artificial Intelligence Lab at Khwaja Moinuddin Chishti Language University (KMCLU) stands as a center of innovation, research, and advanced learning in the field of Artificial Intelligence and emerging technologies. Named in honor of the visionary scientist and former President of India, Dr. A. P. J. Abdul Kalam, the lab reflects his ideals of scientific excellence, innovation, and nation-building through technology.**

**The AI Lab is equipped with modern computing infrastructure, advanced software tools, and high-performance systems designed to support hands-on learning, research, and experimentation in areas such as machine learning, data analytics, natural language processing, computer vision, and intelligent systems. The lab provides students with practical exposure to real-world AI applications, bridging the gap between theoretical knowledge and industry requirements.**

**Serving as a hub for interdisciplinary collaboration, the AI Lab supports academic projects, research initiatives, workshops, faculty development programs, and industry-oriented training sessions. Students are encouraged to work on innovative problem-solving projects, develop prototypes, and participate in hackathons, internships, and certification programs related to artificial intelligence and allied domains.**

**The Dr. A. P. J. Abdul Kalam AI Lab also plays a significant role in enhancing employability by nurturing technical skills, analytical thinking, and innovation-driven mindsets. Through continuous learning initiatives and collaboration with industry experts and academic partners, the lab prepares students to meet the evolving demands of the digital and technology-driven world.**

## MEDIA STUDIO

The Media Studio at KMCLU is a creative and technical facility that supports hands-on learning and professional media production. Equipped with modern audio, video, and editing tools, it enables students and faculty to create high-quality digital content while gaining practical skills in media production, storytelling, and communication. The studio enhances academic learning, encourages creativity and collaboration, and prepares learners for careers in the evolving media and communication industry.

## PT. DEEN DAYAL UPADHYAY SHODH PEETH

The Pandit Deen Dayal Research Chair at KMCLU is an academic initiative dedicated to the study, research, and promotion of the ideas and philosophy of Pandit Deen Dayal Upadhyaya. The Chair serves as a platform for scholarly research, policy studies, and intellectual discourse focused on integral humanism, socio-economic development, and Indian knowledge systems. Through research projects, lectures, seminars, publications, and community engagement, the Chair contributes to academic excellence, value-based education, and nation-building by fostering thoughtful inquiry and socially relevant research.

# AWADH SHODH PEETH

The Awadh Shodh Peeth at KMCLU is a dedicated research and cultural initiative focused on the study, preservation, and promotion of the historical, cultural, social, and literary heritage of the Awadh region. It serves as a platform for interdisciplinary research, documentation, and scholarly dialogue, encouraging studies related to regional history, traditions, language, folklore, and socio-economic development. Through research projects, seminars, publications, and community engagement, the Awadh Shodh Peeth contributes to academic enrichment, cultural awareness, and the preservation of regional identity.

# AWADH INCUBATION FOUNDATION

The university established this incubation center to support aspiring start-ups and entrepreneurs, providing office space, business advice, and other support services to help turn ideas into businesses.

To create a culture where creativity and innovation are stimulated by Intellectual Property & Innovation for the benefit of all for promoting advancement in entrepreneurship, science and technology, arts and culture, traditional knowledge and biodiversity resources.

## HISTORY- MUSEUM

The museum's primary objective is to preserve historical objects and cultural heritage while enhancing knowledge and education. It supports research and facilitates the study of human history through a diverse collection of artifacts, including ancient coins, manuscripts, sculptures, weapons, and paintings. The museum showcases images of famous monuments like Sanchi, Sarnath, Brihadeshwar, and Konark, as well as ancient cave art from Ajanta and Ellora, inspiring students through visuals of great historical figures and insights from renowned historians. By preserving and presenting these treasures, the museum fosters a deeper appreciation of our rich cultural and historical legacy.

# TECHNICAL EVENTS

## IDEATHON

Competition organized by Awadh Incubation Foundation to present different ideas on different issues like security, information technology, etc. Many awards were won by various students of respective departments.

## International Astronomical Search Collaboration

# TECH FEST

Students present different types of working models, like Smart City, Robotic arm, Fire Fighter Device, Face Recognition, Smart Irrigation, Smart Home automation, Job Problems solver, Smart Bin etc. They used the concept of Artificial Intelligence & Machine learning and Internet of things in their Project. Students were attended Samsung event and AKTU Tech Fest.

## MOOCS/SWAYAM ONLINE CERTIFICATION

Khawaja Moinuddin Chishti Language University (KMCLU) actively promotes digital learning and blended education through the integration of Massive Open Online Courses (MOOCs) offered on the SWAYAM platform, an initiative of the Government of India. The university encourages students and faculty to leverage these online courses to enhance academic learning, skill development, and professional competency.

SWAYAM provides access to high-quality courses developed by leading institutions such as IITs, IIMs, Central Universities, and national-level experts. At KMCLU, MOOCs are aligned with the university's curriculum, allowing students to earn academic credits as per UGC guidelines, thereby enriching their learning experience beyond the traditional classroom.

The university facilitates awareness programs, orientation sessions, and academic support for students to enroll in SWAYAM courses across diverse disciplines, including languages, humanities, management, computer science, artificial intelligence, data science, and other emerging areas. Faculty members guide students in course selection, progress monitoring, and successful completion of assessments.

Through the adoption of MOOCs and SWAYAM, KMCLU ensures flexibility, accessibility, and inclusivity in education. This digital initiative empowers learners to learn at their own pace, gain industry-relevant skills, and stay updated with global academic and technological advancements.

The integration of MOOCs/SWAYAM at KMCLU reflects the university's commitment to innovative teaching-learning practices, lifelong learning, and the preparation of students for a rapidly evolving knowledge-driven and technology-oriented world.

# **BEYOND ACADEMICS**

# BEYOND ACADEMICS

## Educational Students Clubs

Developing student leadership and creative capital is a crucial aspect of the Faculty of Engineering and Technology. We have many education students clubs which help students in honing their talents outside the classroom. These recreational opportunities also provide a space for students to learn and technical and extra curricular awareness for their development.

### CODE-X

This club, established by the Department of Computer Science & Engineering, aims to enhance students' programming skills and prepare them for industry demands. It is open to all students eager to develop their expertise in a variety of programming languages and technologies, including Python, C++, Machine Learning, and Artificial Intelligence. The club provides a platform for hands-on learning, collaborative projects, workshops, and skill-building activities to make students industry-ready.

### S.P.A.R.K.S

**Society of Programming, Robotics & Automation Knowledge Systems (S.P.A.R.K.S):**

S.P.A.R.K.S, the first robotics club at Khwaja Moinuddin Chishti Language University, has been recently established by the Department of Mechanical Engineering. The club is designed to foster students' interest in robotics and automation, helping them develop a strong understanding of the fundamentals. Through hands-on projects, workshops, and collaborative learning, S.P.A.R.K.S encourages innovation, problem-solving, and practical skill development, preparing students to excel in emerging technology fields.

# CULTURAL EVENETS

# **INTERNSHIP & TRAINING**

# INTERNSHIP & TRAINING

Our students have been placed in summer internships to make them business-ready and hone their industry expertise. These internships are invaluable in the broadening of skill-sets, acumen and outlook of our students. The FoET Placement Cell has provided assistance at every step, including providing details of internships opportunities, company links etc. to our students. Some of the notable companies where our third year students have interned include

# INTERNSHIP & TRAINING

**We can proudly say that 100% of students enrolled in 3rd Year have successfully completed summer internships/ industrial training to make them industry ready for the future.**
