## "WE LEFT THE CAMPUS BUT THE CAMPUS NEVER LEFT US"

From classrooms to careers, our alumni carry the spirit of KMCLU wherever they go. This edition celebrates the memories, achievements and enduring connections that bring our alumni back to the campus they once called home.

# Message from the Hon'ble Vice Chancellor

It gives me immense pleasure to present the inaugural edition of "Reconnect 2026," the Alumni Newsletter of Khwaja Moinuddin Chishti Language University, Lucknow. An institution's true legacy is reflected not only in its academic achievements but also in the accomplishments, experiences and enduring association of its alumni. Our alumni are an integral part of the University family and important ambassadors of its values, vision and educational ethos. Their achievements across diverse fields bring pride to the University and inspire our present generation of students.

I am particularly pleased to see the University's alumni community coming together under the identity of "Chistian", a name that reflects their enduring emotional and intellectual connection with their alma mater. I hope this identity will foster a strong sense of belonging, fraternity and continued association among our alumni, wherever their professional and personal journeys may take them.

"Reconnect 2026" is envisioned as a meaningful platform to celebrate these journeys, reconnect with our Chistians, share institutional milestones and strengthen the bond between the University and its alumni. It is my hope that this newsletter will provide a vibrant space for sharing memories, achievements, ideas and opportunities, while fostering meaningful engagement among our alumni, students, faculty and the University.

I place on record my sincere appreciation for Dr. Ruchita Sujai Chowdhary, Editor of "Reconnect 2026," and her Editorial Team for taking this initiative forward with dedication and enthusiasm. Their efforts in conceptualising and bringing out this inaugural edition mark an important step towards creating a sustained channel of communication with our alumni community.

As we embark on this new journey, I extend my heartfelt greetings and best wishes to all our Chistians. I invite every member of our alumni community to remain connected with their alma mater and contribute to its continued growth, progress and excellence.
May "Reconnect 2026" become a lasting bridge between the University and its alumni, keeping alive the shared memories of the past while creating new possibilities for the future.
With warm regards,

***"Some connections are never meant to fade they simply wait to be renewed"***

With this thought, I am delighted to bring to you the first edition of "Reconnect 2026," the Alumni Newsletter of Khwaja Moinuddin Chishti Language University, Lucknow.

Every university leaves behind something far more valuable than degrees and classrooms, it leaves behind memories, friendships, mentors, experiences and a sense of belonging.

Our alumni carry these experiences with them as they move into different walks of ife and their journeys become an important part of the continuing story of their alma mater. Reconnect 2026 is an attempt to bring these stories back home. It is a space to remember, celebrate and rediscover the many journeys that began at KMCLU. Through its pages, we hope to share the achievements of our alumni, revisit cherished memories, highlight important developments at the University and create opportunities for meaningful interaction between our alumni and the present University community.

As the Editor of this inaugural edition, I see Reconnect not merely as a newsletter, but as a continuing conversation—one that travels across batches, departments, generations and geographies. I hope it grows with every edition through the voices, experiences and contributions of our alumni.

I warmly invite our alumni to become an active part of this journey by sharing their stories, achievements, memories and ideas. Your story is a part of KMCLU's story.
Let us reconnect with where we began, celebrate how far we have travelled, and remain connected to the place that helped shape our journeys.

With warm wishes and a heartfelt welcome to the very first edition of Reconnect 2026.

Walking into college as a quiet student, these three years became a thrilling roller-coaster of growth. The supportive environment and encouraging faculty transformed me into a confident leader. Whether studying, playing basketball and volleyball freely, or organizing departmental events, every moment shaped my perspective. My teachers helped me discover my true strengths, guiding me toward my future goals beyond standard paths like an MCA. Wrapped in strong unity, respect, and lasting comfort with my batchmates, my time here wasn't just about earning a degree it was where I truly found my voice and purpose. Thank you, alma mater.
