**User Manual for Registration at the Student
Portal and filling of Examination Form**

STEP 1

NEW REGISTRATION ON SAMARTH PORTAL

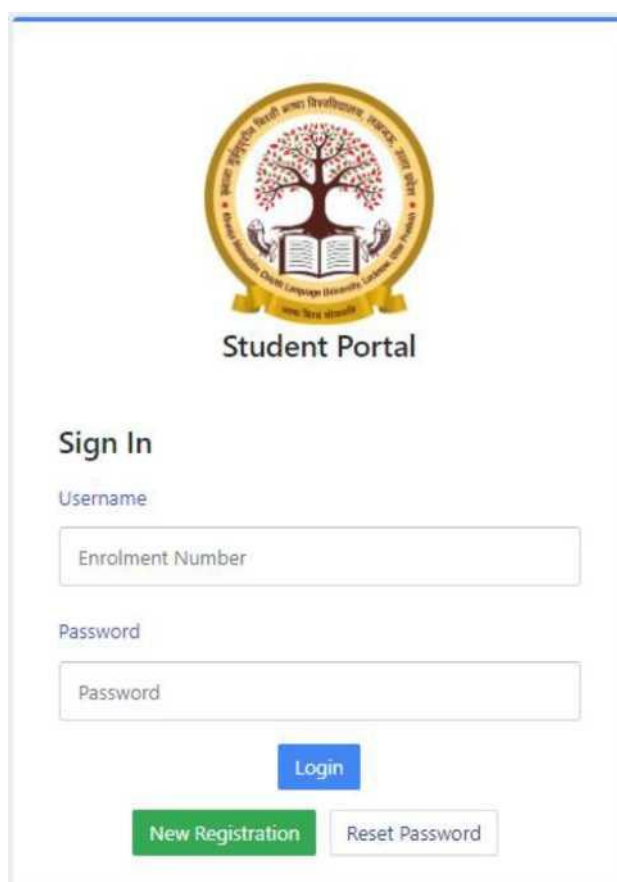

New Student Registration (Self-Registration)

Introduction

This is the reference document for New User Registration through the Samarth student portal.

Login

Step 1: Open the student portal link through <http://kmclu.samarth.edu.in> and the homepage will appear as below:

The screenshot shows the Samarth Student Portal login interface. At the top center is the KMCLU logo, which features a tree and an open book within a circular frame, surrounded by text in Hindi and English. Below the logo is the text "Student Portal". Underneath is the "Sign In" section. It includes a "Username" label above a text input field containing "Enrolment Number". Below that is a "Password" label above a text input field containing "Password". A blue "Login" button is positioned below the password field. At the bottom of the form are two buttons: a green "New Registration" button and a white "Reset Password" button with a grey border.

On the student portal homepage, students will be able to see three (3) options as follows:

1. Login

Registered students can directly log in using their login credentials for the portal.

2. New Registration

Students doing first-time registration have to click on the “New Registration” option to generate their login credentials.

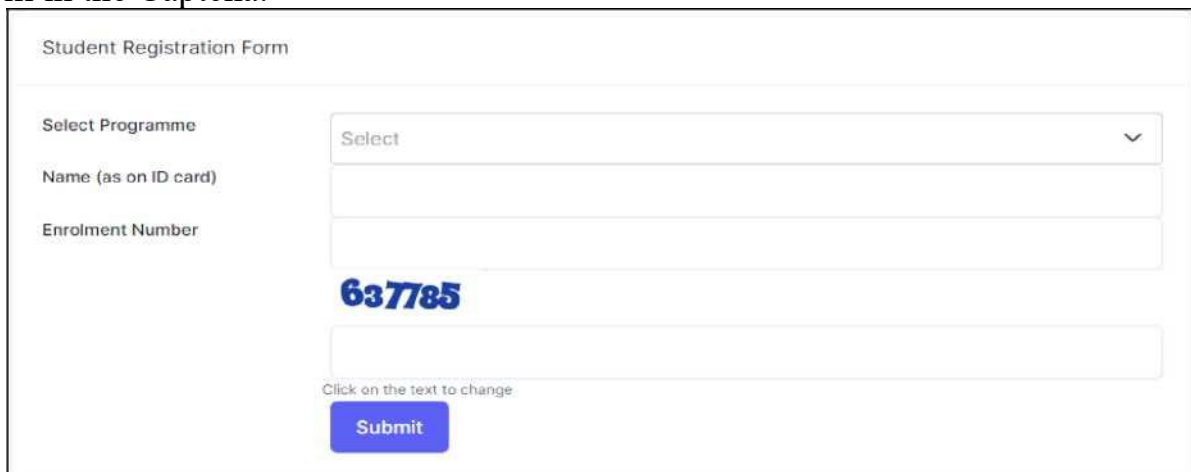

3. Reset Password

If a student forgets his/her password, they can reset it by using the “**Reset password**” option.

New Student Registration

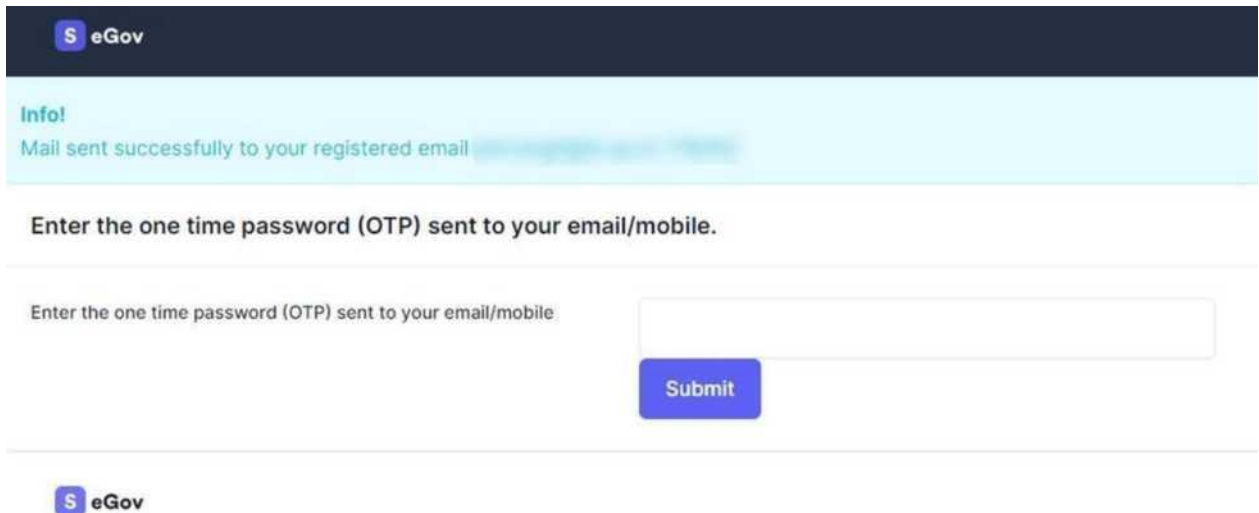

Step 1. Students can register themselves by clicking on the “**New Registration**” button. After that, the following details need to be selected/entered:

- Select Programme
- Name (as on ID card)
- Enrollment Number
- Fill in the Captcha.

A screenshot of a web form titled "Student Registration Form". The form contains four input fields: a dropdown menu for "Select Programme" with the word "Select" and a downward arrow; a text box for "Name (as on ID card)"; a text box for "Enrolment Number"; and a text box for a captcha with the number "637785" displayed in blue. Below the captcha box is a small link that says "Click on the text to change". At the bottom of the form is a blue "Submit" button.

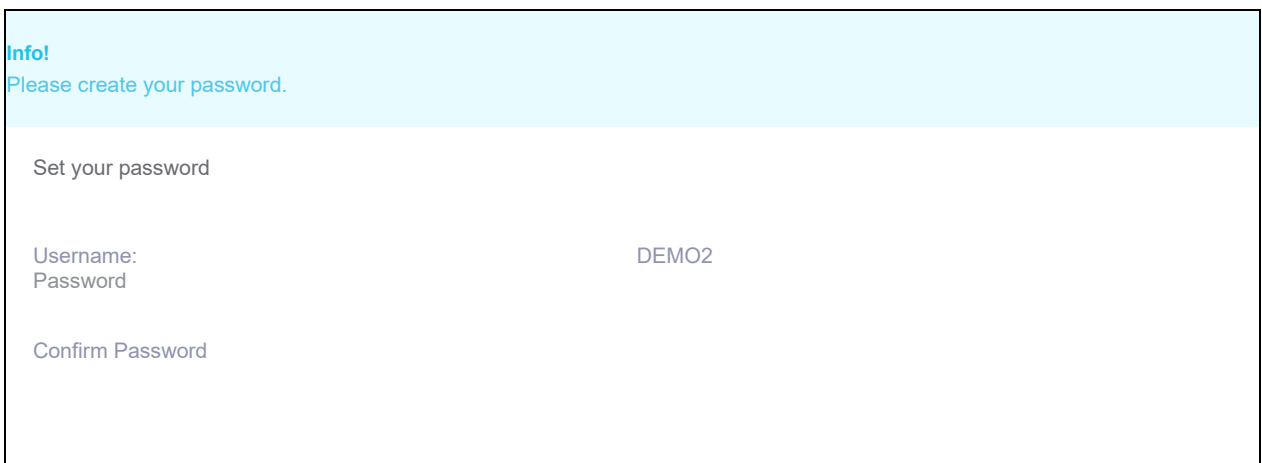

Then Click on the **Submit** button

After successful verification of the details, an OTP will be received via Mail/SMS. Once the OTP is filled, click on the 'Submit' button to proceed further.

The screenshot shows the eGov website interface for OTP verification. At the top, there is a dark blue header with the 'eGov' logo. Below the header, a light blue banner contains the text 'Info! Mail sent successfully to your registered email'. The main content area has a heading 'Enter the one time password (OTP) sent to your email/mobile.' followed by a text input field with the same label. To the right of the input field is a blue 'Submit' button. The footer of the page also displays the 'eGov' logo.

Once OTP is verified, students need to set a password for their login in a new window.

The screenshot shows the eGov website interface for creating a password. At the top, there is a light blue banner with the text 'Info! Please create your password.' Below this, the heading 'Set your password' is displayed. The form contains three input fields: 'Username:' with the value 'DEMO2', 'Password', and 'Confirm Password'.

Then click on the **Submit** button

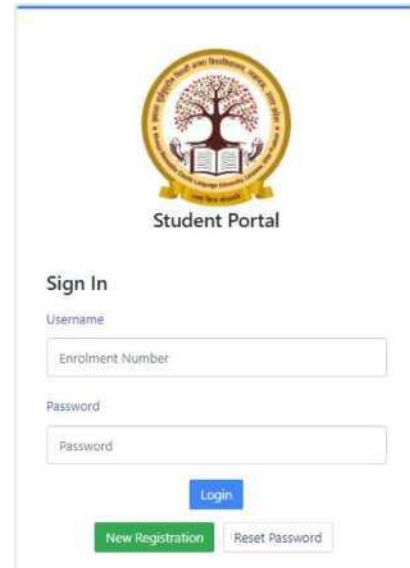

Step 2: Log in to the Student Portal:

After successfully creating their passwords, students can access their account through their **Enrollment number and Password** to start the process of filling their Examination Forms.

Student Portal

Important Instructions for Student

- Click on the New registration button to create a new account. Fill the programme of enrolment, your name, enrolment number and verification code to register a new account.
- If you have already registered you can login to the student portal by entering enrolment number and password.
- In case you forgot your password you can use reset password to reset your password.

Note: The students need to note down

QeGov

the username and Password for further use.
