| innocrede solutions LLP is a technology and digital services company focused on helping startups, businesses, schools, and organizations achieve digital transformation through affordable and innovative solutions. The company provides a complete range of services including software development, website development, mobile application development, digital marketing, branding, social media management, AI-based solutions, and business automation services. The core business concept of the company is to provide end-to-end digital support under one platform, enabling businesses to improve their online presence, operational efficiency, and customer engagement. innocrede solutions LLP also focuses on practical training programs, internships, and skill development initiatives to bridge the gap between education and industry requirements. The company aims to solve challenges faced by small businesses and startups that often struggle with costly technology services and lack of technical guidance. By offering customized and budget-friendly solutions, the startup helps clients adopt modern technologies and automation tools for growth and scalability. With a vision to become a trusted digital transformation partner, innocrede solutions LLP plans to expand its operations nationally while developing innovative AI-powered products and scalable SaaS solutions for future business growth. The company also aims to create employment opportunities and support entrepreneurship through digital innovation nationwide. |                                          |                                                  |                      |
