Pollution caused due to vehicles can have adverse effects on people's health as well as the environment. Pollution Under Control (PUC) Certificate is one of the vital legal documents that every vehicle owner must carry for his / her vehicle. All vehicles need to undergo a periodic emission check (at least once in 6 months) at authorized PUC Centers. The University is concerned about environmental protection and so Vehicles without a PUC certificate will not be allowed to park inside the campus from 1st February 2019. Hereby, all students are informed that those who are staying near the University premises are encouraged to come to campus by bicycles. This initiative is to make the environment pollution-free campus.

- Faculty members and students are informed to walk in the pedestrian pathways.
- Faculty members and students should not use automobiles inside the campus.
- Green cover of the University is beautifying campus and maintenance of the same is the duty of our students and faculty. Therefore, students and faculty are advised not to disturb the trees, herbs and shrubs.

It is noticed that fans and lights in the classrooms and laboratories are not switched-off at the time of leaving. Hence, the students are advised to switch-off the lights and fans in the classrooms and laboratories at the time of leaving.

It is also noticed that at some places, the drinking water/ toilet taps are not properly closed and the water is let-off due to which the tanks are getting emptied. Hence, all are advised to close the taps immediately after the usage so that there will not be any wastage of water and efficient use of electricity may be assured. If any water leakage or repairs are noticed, the same may be brought to the knowledge of the concerned Nodal Officers.

To: All the Deans/Heads/Subject-Incharge/Students
KMC Language University, Lucknow

Dear Colleagues and My dear Students,

As we are aware that every year we celebrate the **22nd April** as "**World Earth Day**" to demonstrate support for environmental protection and sustainable conservation. The University Grants Commission (UGC) has already directed all universities and higher educational institutions to ban the use of plastic cups, lunch packets, straws, bottles and bags in their campuses. As we all know that plastic are non-biodegradable and it polluted our environment very badly before.

This year, the **Earth Day 2022 theme** is Invest in Our Planet and features five primary programs: **The Great Global Cleanup, Sustainable Fashion, Climate and Environmental Literacy, Canopy Project, Food and Environment, and the Global Earth Challenge.**

All the teachers/non-teaching staffs and students are hereby requested to follow the guidelines as our Government has already banned plastic bags and related plastic items in the campus as well as in the Hostels.

Hosting this prestigious event is a step towards our commitment to undertake global leadership on addressing all forms of pollution, reducing emissions and investing in sustainable development efforts. **This is an opportunity for collective efforts to reduce the use of plastic and to save our mother earth.**

With regards,

(Dr. Praveen Kumar Rai)
