

Report on Tree Plantation Drive under Deekshotsav-2026

As part of *Deekshotsav-2026*, Khwaja Moinuddin Chishti Language University, Lucknow, organized a Tree Plantation Drive on 1st July 2026 to promote environmental awareness and sustainability. The initiative was carried out under the guidance of Hon'ble Chancellor Smt. Anandiben Patel and the leadership of Hon'ble Vice-Chancellor Prof. Ajay Taneja, with coordination by Dr. Nalini Mishra.

The plantation drive aimed to instil a sense of environmental responsibility among students, faculty, and staff. Various saplings were planted within the university campus, contributing to the enhancement of green cover and ecological balance.

Students, teachers, and staff members participated enthusiastically in the activity, demonstrating their commitment towards environmental conservation. The programme emphasized the importance of trees in maintaining ecological harmony and encouraged participants to take active roles in preserving the environment.

The drive was successfully conducted and served as a meaningful initiative in promoting sustainability and environmental consciousness within the university community.
