## ABOUT THE UNIVERSITY:

Established under the Uttar Pradesh Arabi Farsi Universities Act 2009 (U.P. Act No. 12 of 2009) this University got it's name as 'Khwaja Moinuddin Chishti Urdu, Arabi-Farsi University' by an Amendment in the year 2012 in the name of well acclaimed Sufi Saint Khwaja Moinuddin Chishti of Ajmer whose simplicity and generosity have inspired people across the globe. University holds status under section 2(f) and 12(B) of the UGC Act, 1956. In the month of February, 2020, the State Cabinet, passed the proposal to rename the University as 'Khwaja Moinuddin Chishti Language University.'

The University started its first academic session in August 2013 with students pursuing studies in Urdu, Arabic, Persian, English, Hindi, Geography, History, Economics, Home Science, Physical Education, Political Science, Education, Commerce, Computer Science, Business Administration and Journalism and Mass Communication under its Graduate and Postgraduate programmes. Apart from these, Diploma courses have also been a popular option among students enrolling in the University. At present this strength has gone upto 3820 and number of programmes offered by this university has also increased significantly.

Professional courses such as Engineering and Technology have always been popular among the students. Therefore, the University has also introduced AICTE approved B.Tech. Programme in Civil Engineering, Mechanical Engineering, Fashion Technology and Computer Science and Engineering with Artificial Intelligence and Machine Learning in the University since 2019. The University has also introduced faculty of legal studies comprising 2 years LL.M. post -graduate course along with a 3 & 5 year under-graduate LL.B. programmes respectively. In addition, Value Added Courses have been initiated by almost every department of the university to match the expectations of NEP 2020 guidelines. Looking at the importance of sports and physical activities along with studies, the University offers curriculum for Physical Education at Undergraduate level and sports events are organized in the University campus on a regular basis. Overall there are 31 departments running in the current session.

Besides taking care of physical security, efforts have been made to secure the premises digitally and for this purpose CCTV cameras have been installed throughout the campus. The University also provides free Wi-Fi facility to all students, faculty members and non-teaching staff. The university has a gymnasium, AI Lab, yog vatika, a library with more than 11,000 books, cafeteria, museum., herbal vatika.

## ABOUT THE DEPARTMENT:

The Faculty of Legal Studies, established in 2021, is dedicated to fostering excellence in legal education, research, and professional training. In 2021, it started with the introduction of 2 years LL.M. course. Since its inception, the faculty has worked to create a dynamic academic environment that blends rigorous academics with practical exposure. Further undergraduate courses B.A.LL.B. & LL.B. were introduced in 2023 and is approved by Bar Council of India. Faculty of Legal Studies offers comprehensive legal education, fostering critical thinking and ethical reasoning.

A major milestone was achieved in August 2025 with the inauguration of the state-of-the-art Moot Court Hall, providing students with hands-on experience in advocacy and courtroom practice. The department also has a robust Free Legal Aid clinic which allows students to be socially sensitive in their pursuit to achieve professional acumen. The department also conducts regular educational trips for students such as Court visits, jail visits to gain practical exposure. The faculty is committed to nurturing not only well-informed legal professionals but also socially responsible citizens who can contribute meaningfully to the justice system and the society. At present approximately, 500 students are enrolled in the Department.

## ABOUT THE SEMINAR:

Transgender community has been facing isolation, exclusion, hatred, discrimination in many parts of the world including India. Moreover, the community faces lack of educational facilities, homelessness, lack of medical facilities including HIV care and unemployment. In extreme cases, they may also face physical assault, sometimes even fatal. As per the Census 2011, around 0.04% of the population of India comprises of the Transgender persons. However, there is dearth of data collection on transgender population in recent times in India, In 2019, the Central government has enacted the Transgender Persons (Protection of Rights) Act to protect the rights of transgender persons and their welfare. Since, it is a sensitive issue, brutalities and discrimination against transgender persons are easily overlooked by all the stakeholders including police and the State. Against this background, Faculty of Legal Studies, Khwaja Moinuddin Chishti Language University, Lucknow proposes to conduct a two-day International Seminar from 5-6th February, 2026 on the theme "From Margins to Mainstream: The journey of the Third Gender in India". The seminar will be attended by academicians, experts in legal field and social work, legal practitioners, members of various NGOs working with third gender community and students. Researchers and experts across India will present papers, addressing the challenges faced by the third gender community. The seminar will provide a platform to critically analyse the interventions of the government and non-government agencies for safeguarding the interests of third gender persons in India. The seminar will be conducted in hybrid mode.
