Professional Exposure (Print Media)

As a freelance reporter, I had been associated with five largely circulated Hindi daily and weekly newspaper of Uttar Pradesh.

- **Hindustan, Rashtriya Sahara, Swatantra Bharat, Jansatta and Sahara Samay weekly as a feature writer since last five years. I have contributed more than hundred by lined features and cover stories on various subjects in these newspapers, like cultural advancements and changes, visual arts from theatres**

to fine arts to sculptures. Women & children related issues, women empowerment, Technology advancements taking place in Lucknow, life style, new business opportunities various perspectives of higher education, health, activism, religions etc.

Professional Exposure (Electronic Media)

- As a broadcaster I delivered a number of T.V & Radio talks both live & recorded on various social issues related to women and children. I also prepared some interesting radio script on basic and applied sciences for children, broadcasted from All India Radio Lucknow. I have also prepared radio feature on street children which broadcasted from All India Radio Lucknow.
- As an anchor and resource person I have worked for Doordarshan, Lucknow Kendra. I prepared & presented anchor based stories on social and educational issues especially related to youth for one of the popular programme named 'Yuva Manch' I also prepared scripts on issues related to old age people for the program titled 'Saanjh Ke Saaye'

Workshops & Seminars

- As media research scholar & academician I have participated in International, National seminars & Webinars from where number of my research papers have been published apart from it I have been active participant of different workshops

on media. I have also contributed chapters in various Edit Books on Mass Media,
