

New Education Policy 2020

(Industry-Academia Integration and Skill Development Cell)

- 1) **Prof. Syed Haidar Ali**, Dean Student Welfare, Head: Department of Business Administration
- 2) **Dr. Nalini Misra**, Assistant Professor, Department of Education (B.Ed.)
- 3) **Dr. Udham Singh**, Assistant Professor, Department of Economics
- 4) **Dr. Manish Kumar**, Assistant Professor, Department of Commerce

The following initiatives have been taken up by the University to enhance Industry-Academia integration:

- Academia and industry need to recognize each other's strengths and strive towards greater trust and communication. For this, the students of the University are being given the knowledge and skill acquisition ability through the curriculum they are taught. The Ability Enhancement Compulsory Course (AECC) and Skill Enhancement Course (SEC) are included in the CBCS Syllabus of Under Graduate Courses and Post Graduate Courses running in the University through which the students are benefitting a lot and able to comprehend the Industry-Academia linkages.
- The University would also take initiatives to work on the topics related to Industry-Academia linkages in the field of Research and Development so that innovations in this aspect may be known and implemented.
- Projects related to Industry-Academia integration would also be one of the priorities of the University.
- Development of skills should also be brought to the forefront in addition to focus on higher education through organizing visits to Polytechnic and I.T.I., etc. and providing in hand experiences to the students.
- Lectures from experts related to the Industries will be organized for students so that the students of the University get awareness about the opportunities available for them in industries and linkages of Industry-Academia may be strengthened.
- A Vocational Guidance Cell has to be established in the University with respect to Industry-Academia integration aspect in which the following team will help the students understand the opportunities available for them in the light of Industry-Academia linkages:
 - 5) Prof. Syed Haidar Ali, Dean Student Welfare, Head: Department of Business Administration
 - 6) Dr. Nalini Misra, Assistant Professor, Department of Education (B.Ed.)
 - 7) Dr. Udham Singh, Assistant Professor, Department of Economics
 - 8) Dr. Manish Kumar, Assistant Professor, Department of Commerce
