Corporate Social Responsibility Policy

1. Preamble

Universities have the responsibility of not only providing good education and learning but also contributing towards building a progressive nation. KhwajaMoinuddinChishti Language University is committed towards playing a pivotal role in supporting government initiatives through its community outreach activities. The objective of Corporate Social Responsibility Policy is to allow the students and faculty to actively participate in outreach programs where they can contribute their knowledge, skills and technical expertise for the betterment of the community. The Policy is anchored on the University's vision which emphasises on an inclusive society that provides opportunities for all. This policy will align the CSR activities of the University with its Vision and Mission.

2. Purpose

The purpose of this policy is to ensure that the University continues to enhance value creation in the society and community in which it operates through its programs, services and other initiatives so as to promote sustainable growth within the community and the society at large. It aims to motivate the students to learn about the diverse culture of the country, its knowledge system and tradition along with imbibing them with the values of empathy, tolerance, humility, gender equality, inclusion and equality which will make them responsible citizens of the nation. This will also promote the institution as a socially responsible entity committed towards its societal obligations.

3. Scope

The policy aims to integrate larger economic, social and environmental objectives of the society with the core operations and activities of the University. It endeavours all members of the University to undertake socially, environmentally and economically viable initiatives.

4. Core Objectives

- To integrate and add value to the existing curriculum and activities of the University through collaborations with Corporate CSR.
- To develop and initiate collaborations with stakeholders for strategic interventions in the areas identified under CSR like health, education, community development, environment, disaster management, etc.
- Engage alumni, students and faculty in didactic, experiential, mentoring, and research activities.
- To help the neighbouring communities to transform themselves through programmes like literacy, health promotion, women empowerment, youth clubs and reduction of dropouts in schools.
- To expand progressive activities within and outside the university for the advancement of shared societal visions and public life, which involves the multidimensional application of knowledge in the society.

Lang

- To enable, explore, and facilitate the socio-economic, legal, technological, cultural, and human rights upliftment of unprivileged persons and societies to earn their sustainable livelihood and dignified life.
- To provide and navigate various researches, development, and innovative facilities, which transform our nation into an equitable and vibrant knowledge society, by providing high-quality holistic education, research, and scientific advancement.
- To develop facility and infrastructure for the promotion protection of the sustainable way of life, art of living, sport, yoga, health care, and naturopathy and other socio-cultural heritage; environment, and biodiversity.
- To collaborate with corporate, industries, academia, society, and individual at a national, international, and multinational level to navigate, facilitate and disseminate activities, which directly or indirectly interact with education, research, innovation, development and advancement of social and human good.

5. Action Plan

Universities can play an important role in social development for the knowledge-based economy and a strategic role in the welfare of the nations. HEI's have the ability of reaching out to a variety of interest groups including students, communities and society in general. Hence, this policy will provide an opportunity to promote social development from the heart of the University. The projects and programs undertaken by the University will include those mentioned under Schedule VII of CSR Rules 2014 and activities undertaken by the University on the recommendation of the CSR Cell.
