

Dr. Manvendra Singh

Assistant Professor

Dept. of Biotechnology

Faculty of Engineering & Technology

Khawaja Moinuddin Chishti Language University, Lucknow

E-mail Id: manumbbt@gmail.com,

Academic Qualification:

**Doctor of Philosophy
(Molecular Biology &
Biotechnology)**

Department of Molecular Biology & Biotechnology, MPUAT, Udaipur,
Rajasthan

Thesis Title

“Development of *in vitro* mass multiplication procedure for *Stevia rebaudiana* Bertoni and determination of genetic fidelity of regenerated tissue culture plants”

**P.G. (Plant
Biotechnology)**

Banaras Hindu University, Varanasi, U.P.

Specialization: Plant Tissue Culture

Current Area of Interest:

- Plant Tissue culture, Agriculture Biotechnology, Plant Biotechnology,

Research Experience:

- 03 years 10 months
- Worked as Research Associate at ICAR-National Research Centre on Litchi, Muzaffarpur, Bihar
- Worked as Research Associate at Biotechnology Center, JNKVV, Jabalpur, M. P.

Publications:

- Research Article: 12
- Review article: 03
- Book Chapter: 06
- Book: 01
- Manuals (Published by Institute): 01
- Magazine & online article: 11

Poster presentation/ conference/workshop attended: 22

Scientific society's membership:

- The Society of Biological Chemists (India): Lifetime membership
- Asian Agri-history foundation: Lifetime membership
- Society for plant biochemistry and biotechnology: Lifetime membership (L-963)
