Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	The University strictly follow the Academic calendar circulated for the session 2021-22 . Accordingly, the guidelines issued by the government of Uttar Pradesh, Higher Education Council and Dept. of Higher Education is been implemented and followed by the University. Our all the faculty members are highly dedicated towards the education excellence. Keeping this in mind they all prepared their activities and extension programs. Timely education tours and visits were planned in the session for the overall exposure of the students. All the Departments follow the blended learning mode for the time-table. Our learning management System (KOPAL) which is an online platform for the students is its of a kind software. Therefore, both the online and offline classes were conducted to maintain the regularity in teaching and learning of students in all the programs. An LMS allows you to easily incorporate quizzes, situations scenarios and other interactive elements into your training. Gamification, messaging and forums also contribute to a lively learning ecosystem. Our KOPAL equipped our teachers a way to create and deliver content, monitor student participation and assess student performance. KOPAL also provided students with the ability to use interactive features such as threaded discussions, video conferencing and discussion forums etc. Our ecosystem has improved from traditional educational methods to modern ICT based education system, while also saving organizations time and money. This also allowed system and the instructors and administrators to efficiently managed elements such as user registration, content, calendars, user access, communication, certifications and notifications. E content was also developed by faculty in form of video lectures, written content, which was uploaded in the respective department's YouTube channel and Uttar Pradesh Higher Education Digital Library. With the commendable inputs and efforts of the faculty members the University has produced more than 800 e-content in the form of video lectures. Resources in the Library of the University was accessible to students beyond their class timings as well.. It facilitated the availability of e-resources in form of e-books, e-journals, video lectures, subject gateways, databases, useful websites. Remedial classes were incorporated in the time table for slow learners and peer group studies were encouraged by forming the mentor-mentee classes. An Incubation Centre was also established in light of the U.P. Government's directions to encouraged the start up ideas of our students.Students were also encouraged to teach the children of the deprived section living near the University. Constant extension activities were executed to turn our young minds into the talented brigade for the development of the country.
3. The period of delay in completion of syllabus (in months).	0
4. The period of delay in conducting exams (in months).	0
