ABOUT US

Khwaja Moinuddin Chishti Language University believes in cultivating a learning and transformative atmosphere committed to students and faculty members for realizing their highest intellectual potential. We aim at creating excellent learning and collaborative environment by providing broad and balanced academic programs that are mutually reinforcing in which students can discover, critically examine, develop problem solving attitude, freely exchange

KOPAL empowers the faculty members to create and integrate course materials, deliver enriched study material and lectures supported by a range of content styles like powerpoint presentation, images, audio clips, videos, and text notes, etc. It also provides easy access of study materials and resources to students with greater time flexibility and decreased need of mobility.
